

# Owners consent to lodge an Application

Use this form to provide owners consent to lodge an application

If you need help completing this form please contact Council on: (02) 6626 7025 or [dso@byron.nsw.gov.au](mailto:dso@byron.nsw.gov.au)

## All owner(s) of the land to be developed must sign the application

Owners' names must match those included in Council's rates system. If you have Power of Attorney, please include with your application. If the owner is a company or corporation, then a director, secretary or authorised delegate must sign. If the land is Crown land, an authorised officer of the relevant Crown authority must sign the application. For Strata buildings, the consent of the Owners Corporation is needed for development on common property.

**Please note:** If Council is the land owner, you will need to obtain owner's consent prior to lodging the application. Use the form [Request for owners consent to lodge an application on Council owned land](#).

## Owner/s Declaration

As the owner(s) of the above property, I/we consent to the making of this application and authorise and consent to entry of the property site by Council officers for the purpose of processing this application and inspecting the site during development/building works. I acknowledge that the address below will not be used for the service of rates notices.

Description of proposed works: *Use of Sheds for Industry*

Property address of proposed works: *736 Federal Drive, Federal*

## Privacy Policy

The information you provide in this application will enable your application to be assessed by the Council and any relevant state agency. Your application will be advertised to the public for comment if the development is designated development, advertised development or is required to be advertised by a development control plan. The application and all plans and supporting documentation will be kept in a register by the council that can be viewed by the public at any time. Please contact the council if the information you have provided in your application is incorrect or changes.
